

**Psychologist 3 - PY3 (Regular, Term, Part-time, Contract)
Manitoba Health, Selkirk Mental Health Centre.**

Advertisement Number: 20865
Salary Range: \$66,650 to \$84,125 per annum
Closing Date: March 31, 2010

Qualifications:

Ph.D. in Clinical Psychology and registration or eligibility for registration with the Psychological Association of Manitoba (qualified Doctoral Candidates or candidates with other combinations of academic preparation and experience may be considered). Experience working with individuals with severe and chronic mental health difficulties. Demonstrated ability to apply and interpret a wide range of psychological/psychometric tests is desired. Must be able to work effectively in a multi-discipline team environment. Demonstrated organizational, interpersonal and communication skills are required. Strong assessment skills are essential. Awareness of Aboriginal and Inuit culture is an asset. A satisfactory Criminal Records Check is required.

Duties:

Working as a member of a multi-disciplinary team, the incumbent conducts assessments (including diagnostic, cognitive and personality), individual treatment planning, consultation, psychotherapy and other interventions. Group treatment, program development, evaluation, related teaching and research work may also be performed. The Centre also requires a qualified Neuropsychologist to work with clients with Acquired Brain Injury.
